### Newsletter 35—10th October 2021 28th Sunday of Ordinary Time - Support Life Sunday

In the Gospel for this Sunday Mark says, "Jesus, looking at him, loved him and said," (Mk 10:21) very poignant text about how much Jesus is moved by frail and vulnerable situations and individuals. This Sunday we celebrate Support for life Sunday, the annual Respect Life Sunday event promoted each October by the Catholic Church, renamed to better reflect the active work Catholics need to do to help people facing significant life decisions here in Aotearoa. This year the focus is on supporting health carers, who are in the midst of actions and decisions which affect the life and death of many. Some are professional health care staff, others are family caregivers working in a less visible way. Our parish, schools and communities have people who are carers, who give themselves to care in love. Pope Francis on his message for International Nurses Day 2020 said: "Every day we witness the testimony of courage and sacrifice of healthcare workers."

This year more than ever the Pandemic has caused increasing challenges for health carers globally. They experienced higher workload, psychological distress, social exclusion/stigmatization, lack of incentives, absence of coordination, and proper management. Frontline healthcare professionals are particularly vulnerable during this pandemic owing to their commitment to contain the disease.

Consider the challenges to life in Aotearoa New Zealand. Apart from the ongoing Covid-19 pandemic that requires the ongoing effort of us all to protect the vulnerable; while healthcare workers are also on the frontline in terms of the legislative changes to New Zealand's abortion and euthanasia laws. Health carers are also witnesses to the ongoing impact on health and life of poverty, exclusion, attitudes towards disabilities, and addictions. "Support Life reminds us that we are all called to both uphold the dignity of all life and be active in the practical work needed to support people facing significant life decisions," said Bishop Lowe.

## Parish Calendar, News & Notices

Contd From Pg 1

We remember first responders and health-care workers, too often forgotten, until we and those we love, need their response and their care. They are indeed the word of God living and effective. Today we give thanks for their presence, their care and their inspiration and especially today we pray for them, for those they love, and for their intentions. Let's take this as an opportunity to acknowledge and support those who support life in our own Parish. Fr Giltus CP

**Weekday Masses:** These have started again and will follow the normal timetable. There is still NO adoration. Blenheim's masses will be in the church to allow social distancing. Please remember your mask and scan or sign in. Unfortunately there will be no mass on Saturday 9th October due to a funeral at 10am with a 100 person limit. AND there won't be a mass on Tuesday 12th October in Blenheim as Fr Jacob has been called to Wellington for a meeting. Normal Masses will resume on Wednesday. Also on 12th October the Cardinal will be reconsidering weekend masses and how they will look. When we know more we will let you know.

**Priest Hospital & Retirement home Visitations during level 2.** Unfortunately Priests can only visit at the request of Hospital & Retirement home staff.

### Quote from ADW Ecology, Justice and Peace Advisor

The pandemic has highlighted the dedication and generosity of healthcare personnel, volunteers, support staff, priests, men and women religious, all of whom have helped, treated, comforted and served so many of the sick and their families with professionalism, self-giving, responsibility and love of neighbour. A silent multitude of men and women, they chose not to look the other way but to share the suffering of patients, whom they saw as neighbours and members of our one human family. Pope Francis *Message for the World Day of the Sick 2021*

**Global Synod – For a Synodal Church Pope Francis** is asking every baptised person to be involved in this international Synod, "For a Synodal Church: communion, participation, and mission".

On October 17<sup>th</sup> special Masses will be celebrated in New Zealand. This will be followed by the opportunity for every baptised person to prayerfully reflect on the themes, join/ or make up your own group to discern your shared wisdom or go to the online options to give us your feedback.

"I have come here to encourage you to take this synodical process seriously and to tell you that the Holy Spirit needs you... Listen to Him by listening to yourselves and do not leave anyone out or behind". (Pope Francis 'Discourse to the faithful of the Diocese of Rome 18<sup>th</sup> September 2021') Visit <https://www.wn.catholic.org.nz/about/archdiocesan-synod/> to see how you can participate.
